Corrected Error List

A screenshot of the Visual Studio error list window. The title bar at the top says "List". Below the title bar, there is a toolbar with several buttons: a dropdown menu labeled "re Solution", a button with a red 'X' icon and the text "0 Errors", a button with a yellow triangle icon and the text "0 of 20 Warnings", a button with a blue circle icon and the text "0 Messages", and a button with a red 'X' icon and the text "Build + IntelliSense". Below the toolbar, there is a table with two columns: "Code" and "Description". The table is currently empty.
